

Finance Committee Minute, 7 November 2024

2. Grant to Stevenage Meeting

Stevenage Meeting has an unexpected problem with a roof at the Meeting House requiring urgent repairs with an estimated cost of £18,000. This is beyond Stevenage Meeting's resources. We recommend a grant of £5,000 from the Buildings Emergency Fund.

Stevenage Meeting is able to pay £10,000. If Stevenage is unable to raise other additional funds we recommend that Area Meeting makes available a loan of up to £3,000.

Stevenage Meeting will seek at least one additional estimate for the work.

We will recommend these proposals to Area Meeting on 16 November 2024.
